

INVITATION

From Data to Policy in Viral Respiratory Infections – Learnings from Canada and Australia

DATE/TIME Tuesday 20th June 2023 | 7:00am-8:15am

VENUE Perth Convention and Exhibition Centre (CDIC Venue), BelleVue Lounge
21 Mounts Bay Road, Perth

Healthcare systems have faced unprecedented challenges due to the COVID-19 pandemic. In this CDIC Satellite Event experts from Canada (Professor Gerald Evans) and Australia (Professor Catherine Bennett) will share data-linkage experiences and research that informs vaccination policy and implementation. Our expert speakers will further explore how insights from these projects can be applied to other respiratory viral diseases.

Register early using the link provided below as spots are limited.
