FINANCIAL SUPPORT FOR MEETING LOGISTICS

RSV SYMPOSIUM

WHERE ARE WE NOW
AND WHERE DO WE
NEED TO GO?

YOU'RE INVITED

Sunday, 18th June 2023

2:00 pm to 6:00 pm AWST, followed by dinner
University Club of Western Australia

This half-day face-to-face symposium on respiratory syncytial virus (RSV) brings together Australia's primary healthcare and research professionals for a dynamic and engaging discussion on the current challenges and possibilities surrounding RSV in Australia.

This event will be face-to-face and livestream. Don't miss out!

The meeting agenda is being developed by an independent Steering Committee constituted by:

- Prof Peter Richmond - *Perth Children's Hospital, WA*
- Prof Ian Barr - *WHO Collaborating Centre for Reference and Research on Influenza, VIC*
- A/Prof Hannah Moore - *Telethon Kids Institute and School of Population Health, Curtin University, WA*
- Dr Rama Kandasamy - *Sydney Children's Hospital Network & the National Centre for Immunisation Research and Surveillance (NCIRS), NSW*
- Dr Danielle Wurzel - *Murdoch Children's Research Institute & University of Melbourne, VIC*
